Describe any current damage:

I agree to see that the instrument loaned to my child is properly cared for and returned when requested. I agree to pay the rental fee of **\$50.00** as set by Stafford County Public Schools for the current school year (*Please make checks payable to school through which the instrument is rented*). This fee covers basic maintenance and normal wear of the instrument only. The fee will not apply to any repair or replacement costs should the instrument become damaged, lost or stolen. In case of loss or any damage to the instrument while loaned to my child, I will immediately notify the director. I understand that no repairs are to be undertaken without the express permission of my child's music director. I further agree to pay for the repair and/or replacement of the instrument should my child be found to have intentionally damaged the instrument or to have not maintained the instrument properly (gross negligence). In addition, I agree that the instrument will be returned on demand to the director without recourse or refund. Students should also not lend or rent the instrument or permit the lending or renting of the instrument to another person.

I fully understand and agree to the terms of this rental agreement.
