## LETTER POINT SHEET

Name: \_\_\_\_\_ Year in School: \_\_\_\_\_ Date Submitted: \_\_\_\_\_

A Band Letter at MVHS is an award of distinction. It signifies that the recipient has worked above and beyond the effort given by the average band student in all areas of the band program. In order to receive a letter (bar for students who have already received a letter) students must complete the following certification form. A minimum of 50 points are required for eligibility for a letter award. All points will be reviewed by the Director of Bands. To qualify for eligibility for an "Honor Medal", students must participate in and receive at least 2 points for fund-raising activities for the band and they must complete a minimum of five service hours within the band program. These five service hours can be in a service project, music library, instrument maintenance, student mentoring program for peers or middle school students, or any other band service activity approved by the director. It is the responsibility of the student to maintain documentation of points until such time as they are due. **Students with any unexcused absence from rehearsal or performance will be disqualified from consideration for a letter or bar.**
